WHO WE ARE

KC Jazz Community Catalyst

KANSAS CITY JAZZ
ALIVE

Kansas City Jazz ALIVE is a 501 (c)(3) nonprofit organization founded in 2013 to serve as a catalyst group that develops and implements strategies to promote the elements and scope of arts industry infrastructure that make up the Kansas City metropolitan area jazz community.

WHAT WE DO

KC Jazz Community Catalyst

KANSAS CITY JAZZ

ALIVE

The Kansas City Jazz ALIVE approach to supporting and elevating jazz is designed to align with the above five pillars of our mission (**Awareness, Listening, Ideas, Voice, and Exposure**) by being a catalyst organization supporting artists, enthusiasts, and venue owners; and thus, **“raising the tides that lift all jazz boats”** resulting in increased public engagement of the American Jazz aesthetic.

WHY WE EXIST

KC Jazz Community Catalyst

KANSAS CITY JAZZ
ALIVE

The Kansas City Jazz ALIVE organizational mission exists to serve in the unique, but vital, role as a **benign entity** that acts like a binding agent between the various elements that make up the KC jazz community ecosystem.

Our interests are Jazz Scene interests.
